## **Chapter Eighteen – Responsive Journaling Questions:**

1. In this chapter, Grammie and Charly’s mom, Sylvia, come together as friends. Has this ever happened to you? Have you become friends with someone you didn’t get along with? Or did you see this happen to other people as Charly sees it happen between her mom and Grammie? If you never had an experience like this, pretend you have and write about how it might make you feel.
