# *The Ghost of Northumberland Strait*

**By Lori Knutson**

## **Chapter Six – Responsive Journaling Questions:**

1. On page 54, Grammie tells Charly, “You can hide the way you feel and wear a pretty good mask.” Is this ability to hide how she feels a good trait to have or a harmful one? Or could it be both depending on the situation? Can you easily hide your feelings or are you easier to read?

---

---

2. In Chapter 6, Charly tells Grammie about her friend Allie. “I miss Allie, but I don’t know if she misses me.” (page 56) Have you ever lost a good friend? Why? What happened? How did you feel?
